

Grinding and Engraving Set with flexible shaft MSG 135 Set

Art.-No.: **44.191.73**

bar -code: 4006825505153

sales unit: 4 pcs

With this multi grinder and large range of accessories one can drill, rout, grind and brush. Various tools can be inserted on the head set of the tool. Besides the multi grinder is equipped with a flexible shaft. This shaft is particularly suitable for areas which are difficult to reach.

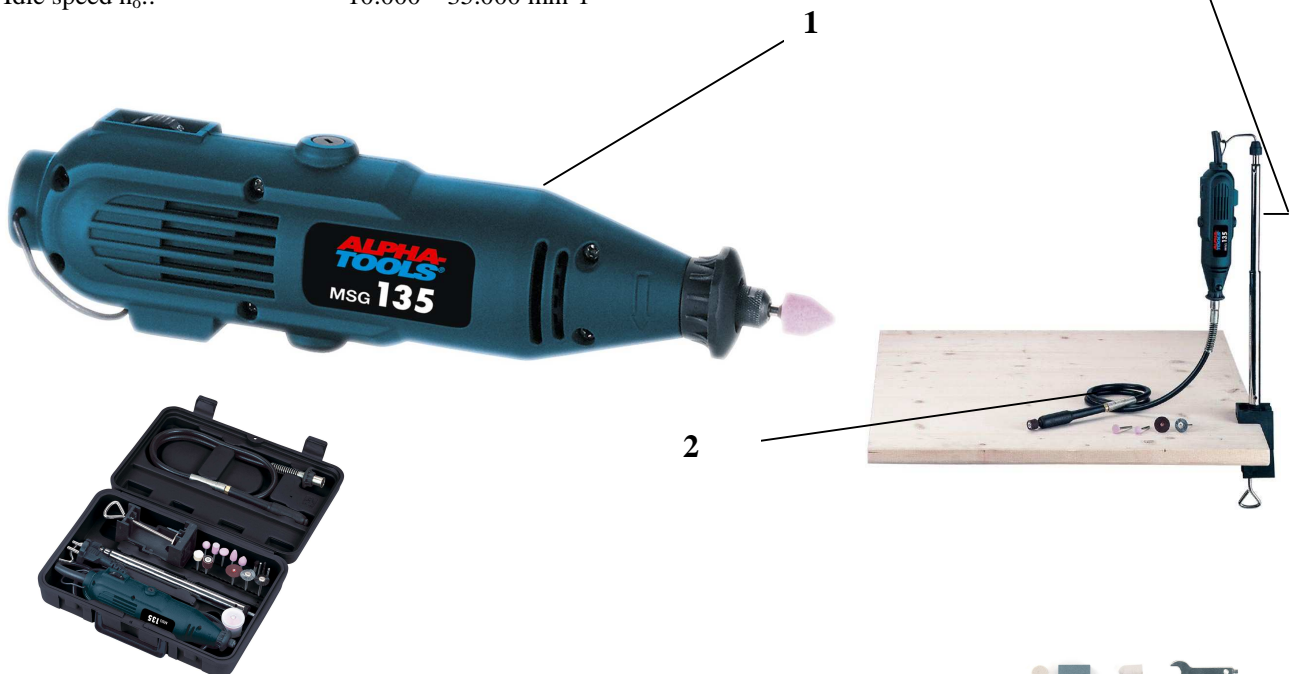

To change tools quickly the drive rod can be locked by pressing a button. The specially hardened collet chucks warrants safe locking of the drill bits. The speed control adapts very well to the various materials.
