The Original Einhell 10-piece Compressed Air Set with pouch contains accessories compatible with any compressor. The set includes a tyre inflator gauge, a blower gun adapter, 8 common valve adapters and a storage pouch. The tyre inflator gauge helps when filling tyres and displays the pressure in bar and psi. The matching blow-out adapter needle is suitable, for example, for cleaning work areas. With the set of 8 standard adapters, you are fully equipped for a variety of valve types, such as ball valves, Dunlop valves and screw valves. The entire compressed air set can be stored in the included storage pouch.
