The Ozito Cordless Grass Trimmer is ideal for trimming lawn edges and grass around trees and shrubs.

A 90° rotating head allows quick change from grass trimming to edger and the telescopic shaft can be adjusted to suit the height of the operator for improved ergonomics.

The 5 position tilting head allows easy trimming under low hanging shrubs and trees, while its lightweight design improves user comfort and allow easy manoeuvring around the garden.

This kit includes 18V 2.0Ah battery featuring Lithium Ion technology that provides cordless convenience and eliminates the need for long extension cords
