

305MM BANDSAW WITH STAND

FBBS-750

EH-Art. No: 30.002.53

Ident No: 11017

Barcode: 9319510022626

Bunnings Item No: 0022440 AU | 00022440 NZ

This Full Boar Bandsaw is ideal for cutting through soft and hard woods alike, allowing you to cut intricate details and smooth curves. With a heavy duty stand included you can operate at a comfortable height with stability.

Featuring a powerful 750W induction motor with 2 speed belt drive, providing control and precise cuts every time. The upper and lower blade guides reduce twisting and helps extend blade life. A Cutting capacity of 170mm and throat depth of 305mm allows cutting of larger workpieces.

The 495x390mm aluminium table tilts between 0-45° for greater versatility, whilst the mitre guide, quick release rip fence and push stick are standard equipment for increased safety and control.
