The Einhell Axxio 18/125 Q cordless angle grinder is a practical tool for the garage, home and workshop. As part of the PXC family, the rechargeable battery can be used in all devices of the series (2.6 Ah battery or higher). The brushless motor offers greater power and a longer lifetime. Safety aids come in the form of soft start, restart & overload protection. The slimline design with soft grip and flexibly-mountable additional handle, along with the separation of motor and gearing, make the tool comfortable to work with.
