

**Powerful, mobile and
eco friendly!**

Einhell®

NEW GENERATION

Mobile high-pressure cleaner made with impact-resistant plastic housing. **High performance tool with induction motor for versatile application such as e.g. cleaning yards, terraces and vehicles.** The high-pressure cleaner features automatic motor shut-down with spray gun-controlled engine activation and deactivation. **This not only saves a trip to the tool but also dramatically cuts down on water and power costs and is easy on the environment.** The high-pressure cleaner has an integrated detergent tank (2 litres), which automatically adds the detergent during low-pressure operation.

NHR 130 High Pressure Washer
