

Einhell

POWER X-CHANGE

Battery

18V 3Ah PXC Plus Twinpack

Item No.: 4511631

Ident No.: 21025

Bar Code: 4006825673692

The Einhell PXC+ 18 V 3.0 Ah battery twin pack is part of the combinable Power X-Change system. The universal Power X-Change batteries provide power and endurance to any cordless tool across the entire product family. Einhell PLUS technology uses 21700-type lithium-ion cells to deliver the same performance and runtime as the 3.0 Ah basic PXC battery — but with only five cells instead of ten. This results in batteries that are 13% more compact and 10% lighter, enabling more efficient work. The 18 V 3.0 Ah Power X-Change PLUS is also suitable for use as a twin-pack in 36 V applications. Two 3.0 Ah Power X-Change PLUS batteries are supplied. The charger is sold separately.

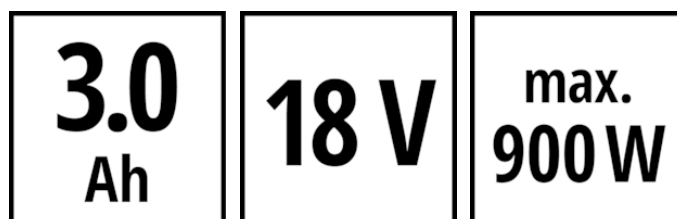

Features & Benefits

- Universally compatible with all Power X-Change devices
- PLUS technology: Full power, more compact design
- Cordless freedom and flexibility around the home and garden
- Battery management system (ABS) for optimal battery monitoring
- Best performance, safety, durability and service life thanks to ABS
- Low self-discharge thanks to high-quality Li-ion cells
- 3-setting LED display for charge level control
- High impact protection and good grip by means of a rubberised housing
- Housing protected against dust and corrosion
- Recessed grip for easy removal of battery from the device
- Twin-pack use in 36 V applications

Technical Data

- | | |
|-----------------------|----------|
| - Voltage | 18 V |
| - Battery capacity | 3000 mAh |
| - Max. power | 900 W |
| - Amount of batteries | 2 pcs |
