

# RRS 2540 Silent shredder

Art.-No. 34.305.29

High performance and noiseless electrical shredder with roller cutting unit, which works without the noise of a conventional impact cutter shredder. The shredder has a comfortable self feeder without recoil and cuts up probably also larger and harder trees and hedges, branches and bushes to optimally compostable parts. The large dimensioned funnel opening makes a simply and comfortable filling possible.
