18V Chainsaw
PXCCSS-018

The Ozito PXCCSS-018 Cordless Chainsaw is ideal for trimming branches, felling trees up to 230mm (8") diameter, cutting small logs and sawing small timber.

Safety features include an automatic chain brake that will engage in the event of kickback and metal bucking spikes that assist with the cutting action and help reduce the possibility of kickback.

Automatic chain oiling keeps both the bar and chain lubricated, which reduces the level of friction and helps prolong the life of the tool.

Choose the 18V Lithium Ion Battery for the run time you need.

FEATURES & BENEFITS

18V Lithium-Ion Battery - *Lithium Ion technology provides cordless convenience and eliminates the need for*

long extension cords.

Safety Chain Brake - *Prevents the user in the event of kickback.*

Automatic Chain Oiling - *Keeps the chain sharp and ensures longer chain life.*

Oil Level Window – *So you can see very easily when it needs an oil top up.*
