Laser Measuring Tool

TC-LD 60 R

Item No.: 2270082

Ident No.: 21013

Bar Code: 4006825673616

The Einhell TC-LD 60 R laser distance meter is a precise tool for use in the home, garden, and on construction sites. With a measuring range of 0.05 m to 60 m, laser class II, and a line accuracy of ± 2 mm, it ensures exact distance, area, and volume measurements. Features such as addition and subtraction of values, continuous measurement, the Pythagoras function, and the staking-out mode provide versatile applications. The LCD display shows measurements clearly in the selected unit (metres, feet, inches) and stores up to 20 results. The laser can be switched on separately, and an automatic shut-off conserves battery life. Supplied with a pouch, but without batteries (requires 2x 1.5 V AAA).

Features & Benefits

- Precise measurement of distances up to 60 m
- Selectable measuring level from the front or bottom of the device
- Simple measurement of distances, areas and volumes
- Addition and subtraction of distances, areas and volumes
- Min/max distance function for continuous measurements
- Pythagoras function: Indirect measurement of lengths or heights
- Stake-out function: Precise determination of predefined distances
- Automatic storage of the last 20 measurement results
- Easy-to-read, illuminated LCD display
- Adjustable Measurement Units: Metres, Feet, and Inches
- Comfortable handling thanks to soft grip
- Automatic switch-off after 1 minute of non-use
- Safety function: separately switchable laser
- Incl. practical bag for storage
- 2x 1.5 V AAA batteries required (not included)

Technical Data

- | | |
|--------------------------|---------------|
| - Working range | 0.05 m - 60 m |
| - Measurement accuracy | ± 2 mm |
| - Laser type class | II |
| - Laser diode | 630 - 640 nm |
| - Automatic deactivation | 1 min |

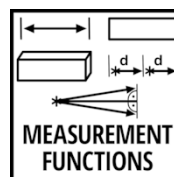

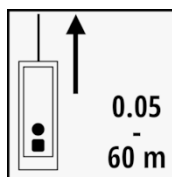

PITCH FUNCTION

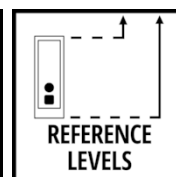

INDIRECT LENGTH AND HEIGHT MEASUREMENT

Logistic Data

- | | |
|--------------------------------------|-----------------------|
| - Product weight (kg) | 0.08 |
| - Gross weight (kg) | 0.188 |
| - Dimensions single packaging | 128 x 51 x 224 mm |
| - Pieces per export carton | 10 Pieces |
| - Gross weight of export carton | 2.98 kg |
| - Dimensions export carton | 270 x 270 x 200 mm |
| - Container quantity (20"/40"/40"HC) | 18480 37840 41580 |
