Petrol and oil suction pump

Item No.: 3407000

Ident No.: 11028

Bar Code: 4006825547276

Pumping out the petrol and oil left in tanks and drums is both easy and safe with the petrol and oil suction pump. This powerful vacuum pump ensures quick transfer. Thanks to the generously dimensioned collecting container, even large quantities of petrol and oil can be pumped out without interruption.

Features & Benefits

- Powerful pump to create the vacuum
- Collecting container with a capacity of 1.6 l
- Long suction hose of 1.3 m length
- Incl. shut-off clip to empty the collecting container
