

Einhell

COOLING

MK 2600 E

Local Air Conditioner

Item No.: 2360371

Ident No.: 11016

Bar Code: 4006825616668

The MK 2600 E local air conditioner from Einhell is ideal for up to 80 cubic meters. To enable it to be moved about easily it has four castors. The large control panel with an illuminated LED indicator display makes it easy to operate: On and off, air conditioning between +18°C and +32°C, sleep or fan function. The MK 2600 E has "ON delay" and "ON time" settings and a remote control for convenient operation. The exhaust air hose, which is approx. 1.50 meters in length, has an adaptor, and a window gap cover is also included. The air intake filter is equipped with an activated carbon filter. The air conditioner has a condensate collector with a capacity of approx. 0.85 liters.

Features

- Large control panel with LED-Display
- 4 pcs castors
- Exhaust air hose with adaptor (L max 150 cm)
- Window gap covering
- Air suction filter with activated carbon filter
- Remote control
- Integrated condense water box (approx. 0.85 l capacity)
- Temperature level: +18°C up to +32°C
- Operating level section (Mode): Autom., cooling, fan
- Power on-time/ Switch-on delay: 1 to 12 h, continuous operation
- Unit ON-OFF
- Sleep function

Technical Data

- | | |
|---------------------------------------|----------------------|
| - Cooling capacity | 2600 W (8900 BTU/h) |
| - Energy consumption | 0.996 kWh/60 min. |
| - Total input power | 996 W |
| - Energie efficiency class (A+++ - D) | A |
| - Energy grade | 2,61 |
| - Air volume operation range | 375 m³/h |
| - Mains supply | 220-240 V 50 Hz |
| - IP class | IPX0 |
| - Sound power level; Lwa | 65 dB (A) |
| - Refrigerant | R410A 370 g |

Logistic Data

- | | |
|--------------------------------------|--------------------|
| - Gross weight export carton | 25.9 kg |
| - Container quantity (20"/40"/40"HC) | 207 440 0 |
| - Dimensions single packaging | 775 x 523 x 345 mm |
