This Cordless Rotary Hammer from the XU1 18V platform is ideal for light DIY drilling and hammer drilling tasks. Use this lightweight, cordless tool to hang hooks and frames in brick walls or put up small shelving in concrete walls. Pair this with any battery from the XU1 18V Li-Ion range.

With 1.2J of impact power and 2 operating modes to choose from, drill or hammer drill small holes into plastic, timber, concrete or masonry with ease. Changing between drill bits is quick and easy with the SDS+ accessory fitment, while the LED worklight provides greater visibility in dark workspaces.
