

120L 550W CEMENT MIXER

CMX-120

EH-Art. No: 30.004.24
 Ident No: 11018
 Barcode: 9319510023913
 Bunnings Item No: 0109520

This powerful 550W 0.7HP Cement Mixer is ideal for a range of DIY jobs around the garden or home. Use it for mixing up concrete, animal feed, fertilisers and potting soils. With a convenient transport handle and puncture proof wheels, move this mixer from site to site with ease.

The robust steel construction and powder coated drum is durable and strong, enabling it to handle all the tasks you throw at it. The 91L wet volume capacity makes it perfect for medium DIY jobs such as laying down a concrete slab, setting a garden path or building a medium sized retaining wall.

FEATURES & BENEFITS

Ample Drum Capacity – Ideal for mid-sized DIY jobs such as laying a concrete slab for a shed, retaining walls & garden paths

Versatile Mixing Applications – Prepare batches of concrete, animal feed, fertilisers, potting soils & more

Robust Steel Construction – Steel frame, powder coated drum for durability & strength

Convenient Transport Handle – Move this from site to site easily

Puncture Proof Wheels– Ideal for rough terrain
