The original Einhell car drying nozzle is a suitable attachment for Einhell leaf blowers, designed for fast and gentle vehicle drying. It features a practical bayonet lock for secure and easy mounting on the Einhell Professional cordless leaf blowers GP-LB 18/200 Li GK and GP-LB 18/200 Li E. Made from durable plastic, the 10 cm long nozzle includes a rubber lip that protects sensitive surfaces from scratches. In addition to drying, it can also be used for tasks such as removing powder snow. Its tapered outlet focuses the airflow for quick results.
