TC-AC 190/24

Air Compressor
Art.-No.: 4007335
Ident-No.: 11014

The TC-AC 190/24 is a versatile compressor which is doing a good job at a lot of works with compressed air due to its compact measures and 8 bar working pressure. The regulated working pressure can be set precisely with the pressure reducer, and is displayed on the pressure gauge. Via quick connect, various compressed-air tools can be operated quickly and without tools. The oil lubrication pump saves the durability of the compressor. The operator's safety is optimally provided due to the automatic pressure switch, check- and safety valve. There is a 10- years warranty against rusting through of the solid construction vessel.

Features

- Oil lubrication ensures a long service life
- Rubber wheels and carrying handle for easy transport
- Pressure gauge and quick-lock couplings for controlled pressure
- Pressure reducer for operating pressure adjustment
- Automatic pressure switch, suction filter
- Non-return valve, safety valve
- Foot with rubber buffer for noise reduction
- 10-year warranty against rusting through of the tank

Technical Data

• Mains supply	230 V 50 Hz
• Max. engine power (S2 S2time)	1500 W 15 min
• Engine speed	2850 min ⁻¹
• Suction capacity	160 L/min
• Output power at 0 bar	98 L/min
• Output power at 4 bar	76 L/min
• Output power at 7 bar	60 L/min
• Max. operating pressure	8 bar
• Number of cylinders	1 Pieces
• Tank volume	24 L

Logistic Data

• Product weight	19.48 kg
• Gross weight single packaging	21.1 kg
• Dimensions single packaging	547 x 235 x 543 mm
• Pieces per export carton	1 Pieces
• Gross weight export carton	21.1 kg
• Dimensions export carton	585 x 270 x 605 mm
• Container quantity (20"/40"/40"HC)	231 489 644
