

## Power Generator STE 850

Art.-No.: **41.512.22**

Bar code: 4006825528497

Sales unit: 1 pc

This „power station“ provides energy and gives security. Electricity flows, when it is needed. Power failures or insufficient current supply are no more a problem; wether during camping, at building sites, in homes or cottages, on boats or in the garden. This equipment is nearly applicable everywhere and offers with ist continous power of 650 watts sufficient performance for many applications. The large four litre tank ensures continuous operation for six hours at 2/3 load. The power generator is powered by a high-quality 2-stroke engine and is equipped with an overload switch.

### Features:

- Powerful 2-stroke engine
- Large 4 litre tank for continuous operation (1)
- ON/OFF switch (2)
- Reversing starter to start the machine (3)
- Safety tripping element for equipment protection (4)
- Stable supporting stand (5)
- 1 x 230 V socket for easy current drain (6)
- Carrying handle for easy transport (7)

### Technical data:

- |                            |                                 |
|----------------------------|---------------------------------|
| - Generator:               | Synchronous                     |
| - Continuous power:        | 650 W                           |
| - Max. Power:              | 800 W (S2 15 Min.)              |
| - Rated voltage:           | 230 V / 1~                      |
| - Rated current:           | 2,8 A / 1~                      |
| - Frequency:               | 50 Hz                           |
| - Drive engine design:     | 1 Cylinder, 2-stroke air cooled |
| - Displacement:            | 63 cm <sup>3</sup>              |
| - Max. Power:              | 1,1 KW / 1,5 PS                 |
| - Fuel:                    | Mixture 1:50 (2%)               |
| - Tank capacity:           | 4 l                             |
| - Consumption at 2/3 load: | approx. 0,7 l/h                 |
| - Protection type:         | IP 23                           |
| - Spark type:              | NGK BPR5ES                      |
| - Weight:                  | 20,5 kg                         |
| - Packing dimensions:      | 410 x 340 x 365 mm              |
