The Einhell TC-AC 190/24/8/1 compressor is a practical device for various tasks in the workshop and garage. With the matching, separately available compressed air tools, the compressor can be used for a wide variety of applications. The 1500 W induction motor works efficiently. The oil-lubricated pump generates up to 8 bar pressure and a suction capacity of 165 litres per minute. The mobile compressor is provided with a 24-litre tank for longer working hours. It is easy to operate and transport with the provided pressure reducer, pressure gauge, feet and wheels. A drainage screw simplifies the servicing and maintenance and Einhell offers a ten-year guarantee against rusting through the boiler.

## Features & Benefits

- Powerful compressor with induction motor
- Sufficient air reserves due to the 24-litre tank
- Can be adapted to a range of applications up to 8 bar via pressure regulator
- Pressure gauge and quick coupling for regulated working pressure
- Wheels and handle for easy transport
- Durable, oil-lubricated pump
- Drainage screw for convenient maintenance
- 10-year guarantee against rusting of the pressure vessel
- Non-return valve and safety valve
