

200W DETAIL SANDER

DSR-2000

This Detail Sander is great for sanding in tight areas and corners such as between louvres, in stair corners and window frames. The moulded sure grip handle fits perfectly in the palm of your hand, providing comfort and control as you work.

Changing between sanding sheets is quick and easy with the convenient hook and loop paper fitment. The included dust canister can be fitted to minimise dust and maintain a cleaner environment.

FEATURES & BENEFITS

Hook & Loop Fitment – Easily change & replace sandpaper sheets

Lightweight & Compact – Reduces user fatigue, allowing you to work on your projects for longer

Ultimate Dust Extraction – Minimise mess as you work

Quick Empty Dust Canister – Convenient dust collection for light sanding jobs
