ACCESSORY

Robot Lawn Mower Accessory

Mähroboter Garage für FREELEXO

Item No.: 3414050

Ident No.: 21014

Bar Code: 4006825685138

The original Einhell robotic lawn mower garage protects against all forms of precipitation, intense sunlight and moisture, making it the perfect match for the Einhell FREELEXO 500 robotic mower. Its sturdy, durable steel construction ensures stability on any flat surface and improves resistance to weather conditions. The smart design also enables effective air circulation and efficient rainwater drainage. The covered space helps extend the mower's lifespan. The garage measures 51 cm (L), 60 cm (W), and 37 cm (H). Six mounting screws are included for installation.

Features & Benefits

- Compatible with Einhell FREELEXO 500 robotic mower
- Weather protection from rain, sun and precipitation
- Sturdy frame made from durable steel
- Design enables fast rainwater drainage
- Built to allow effective air circulation
- Flexible use on any flat surface
- Incl. 6 mounting screws and hexagon key
