

# Water Works PVHW 1100 Niro/Niro

Art.-No.: **41.733.69**

Bar code: 4006825534917

Sales unit: 1 pc

The water works unit pumps water from wells and cisterns automatically with stable water pressure. Thus toilets, washing machines and garden watering can be operated. The powerful pump is silent and therefore very suitable for service around the house.

The housing of the pump as well as the vessel are made of corrosion resistant stainless steel, therefore durable and not rusty colouring of the water supplied. The unit is powered by a sturdy asynchronous motor with thermal protection. The water works is supplied complete with pressure switch and pressure gauge.

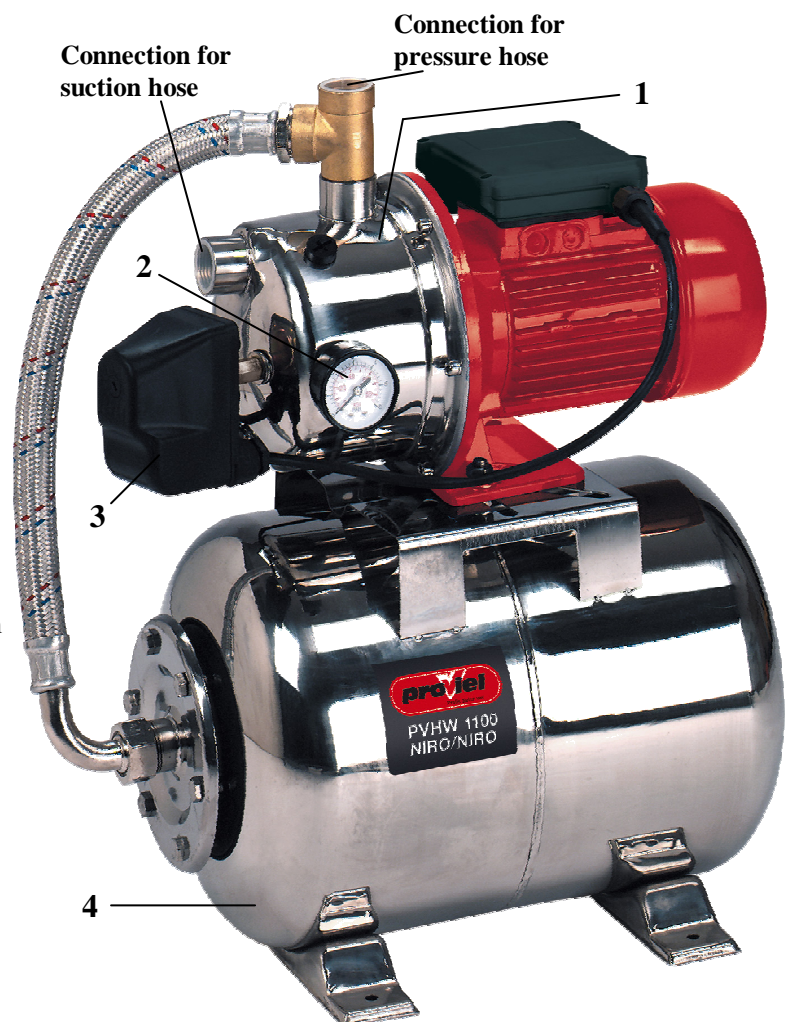

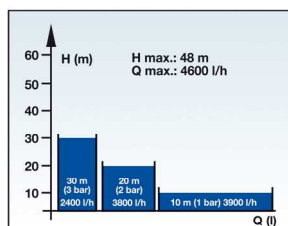

### Features:

- Stainless steel pump housing (1)
- Pressure gauge (2)
- Pressure switch (3)
- Stainless steel tank 24 litres (4)

### Technical data:

- |                                  |               |
|----------------------------------|---------------|
| - Mains:                         | 230 V ~ 50 Hz |
| - Power:                         | 1100 watts    |
| - Delivery capacity max.:        | 4600 l/h      |
| - Delivery height max.:          | 48 m          |
| - Delivery pressure max.:        | 4.8 bar       |
| - Activation pressure max.:      | 1.5 bar       |
| - Cut-off pressure max.:         | 3 bar         |
| - Tank volume:                   | 24 ltr.       |
| - Pressure / suction connection: | 1" IG         |
| - Water temperature max.:        | 35°C          |
| - Suction height max.:           | 6 m           |
| - Weight:                        | 16.6 kg       |
| - Packing dimensions:            | 525x280x580mm |
