## EXPERT

Deep Well Pump

**GE-DW 1155 N-A**

**Item No.: 4170937**

Ident No.: 21024

Bar Code: 4006825660876

The Einhell deep well pump GE-DW 1155 N-A with automatic function switches the device on and off automatically when water is required. Clear water can be pumped through the 8-stage impeller system up to a maximum height of 55 m. An immersion depth of max. 19 m and slim design also enable use in shallower and narrow water reservoirs. The powerful 1,100 W motor delivers 6000 litres per hour. Durability is guaranteed by the stainless steel housing and the high-quality mechanical seal. The dry running safety device protects the pump from damage. The pump is equipped with an easily accessible hose connection on the top with an integrated non-return valve.

## Features & Benefits

- Automatic function for automatic start/stop of the pump
- Integrated dry-run protection
- 8-stage impeller system for extra-high delivery pressure
- High discharge pressure for irrigation, e.g. with sprinklers
- Stainless steel pump housing
- Stainless steel strainer
- With integrated check valve
- High-quality mechanical seal for long service life
- Easy-access hose connection on top of the pump
- Pump diameter 98 mm for narrow manholes
- 22 m rope for easy drainage of the pump
- High immersion depth thanks to long power cord and rope
- Lifting eyes for fastening the drain cable
- Robust pressure connection with stainless steel insert
- Pump base for safe standing and optimal suction

## Technical Data

- Mains supply	220-240 V   50 Hz
- Power	1100 W
- Max. delivery capacity	6000 L/h
- Max. delivery height	55 m
- Max. immersion depth	19 m
- Max. water temperature	35 °C
- Max. size of foreign particles	0 mm
- Hose connection	33,3 mm (G1 IG)
- Power cord	22 m   H07RN-F
- Pump diameter	98 mm

## Logistic Data

- Product weight	9.75 kg
- Gross weight single packaging	15.7 kg
- Dimensions single packaging	945 x 220 x 248 mm
- Pieces per export carton	1 Pieces
- Gross weight export carton	16.3 kg
- Dimensions export carton	942 x 211 x 246 mm
- Container quantity (20"/40"/40"HC)	594   1188
