**GC-ES 1231**  
Electric Scarifier  
Art.-No.: 3420610  
Ident-No.: 11014

The electric scarifier GC-ES 1231 is a powerful and reliable garden device which proves to be an indispensable aide for professional scarifying of small to middle size plots for a healthy lawn. With 8 high-quality double blades, the ball bearing mounted cutting roller fights weeds and moss with their roots effectively. For that purpose, the powerful inverse-speed motor with 1,200 Watt delivers a strong torque for continuous working progress and consistently good results. The robust plastics housing is a guarantor for durability. The scarifier is recommended for lawns up to ca. 300 m<sup>2</sup>.

### Features

- Powerful series-wound motor
- Ball-bearing spike drum with 8 double blades
- Adjustable scarifying depth, 3 levels, with parking position
- Folding long handle
- Wide wheels exert less stress on the lawn
- Impact-resistant plastic housing
- Recommended for lawn areas up to 300 m<sup>2</sup>
