

## Compressor Euro 1500/1 – Set; 11-parts

Art.-No.: **40.100.54**

Bar code: 4006825512847

Sales unit: 1 pc

The Euro 1500/1 is the ideal equipment for DIY and convince through huge air capacity at a high pressure. The mobile and oil-lubricated 1-cylinder-compressor with direct coupled engine and starting release is suitable for nearly all compressed air application, especially for paintwork, spraying, airbrush technique, inflating of rafts, rubber floats, wheels and balls.

### Features:

- Chassis with handle (1)
- Pressure switch (2)
- Air-intake filter (3)
- Self-switching-off quick coupling (4)
- 1 gauge for non-regulated vessel pressure
- Drain valve
- Back pressure valve
- Safety valve
- Mains cable with earthed plug
- 3 parts compressed air-set consisting of:  
air pressure hose (5), blow out gun (6) and  
wheel filler with manometer (7)
- 8 parts adapter-set (8)
- **10 years warranty against rusting of the vessel**

### Technical data:

- |                            |                         |
|----------------------------|-------------------------|
| - Mains:                   | 230 V~ 50 Hz            |
| - Motor Power:             | 1.1 kW / (1.5 HP)       |
| - Suction capacity:        | 165 l/min               |
| - Vessel capacity:         | 24 l                    |
| - Speed:                   | 2,850 min <sup>-1</sup> |
| - Operating pressure max.: | 8 bar                   |
| - Weight:                  | 26 kg                   |
| - Packing dimensions:      | 600 x 285 x 635 mm      |
