GC-RS 2540 CB
Electric Silent Shredder
Art.-Nr.: 3430598
Ident-Nr.: 11014

The GC-RS 2540 CB electric silent shredder is a robust and extremely powerful tool for the quiet shredding of thick materials such as branches as well as tree cuttings, hedge cuttings and garden waste at a high rate of throughput. Its long-lasting cutter drum powerfully draws the material into the large funnel opening. For easy and user-friendly transportation there is a robust chassis with wheels and a practical transport handle.

Features

- Cutter drum
- Generous funnel opening
- Reverse running switch
- Robust chassis with wheels
- Transparent debris box for easy collection and transportation
- Integrated safety switch on the debris box for shredded material
- Integrated plug for power cable
- Practical transport handle
