## HEATING

**PH 1800**

**Outdoor Infrared Heater**

Item No.: 2338545

Ident No.: 11015

Bar Code: 4006825612639

The PH 1800 is an attractive electric patio heater with a high-quality infrared heating element. Particularly in the autumn and spring months and on cold days, it keeps you nice and warm when you are on the patio or balcony or sitting out in the garden. It has an aluminium housing and can be wall or ceiling mounted, making it ideal for outdoor use. The patio heater has two heat settings (900W / 1800W) as well as a built-in timer and remote control for user-friendly operation.

### Features
