

ELECTRIC LAWNMOWER Quick Set-Up Guide

Using The Lawnmower

1. Ensure all items are removed from packaging before discarding.
2. Unfold handles in to position and tighten locking screws.
3. Set handle to desired position with lower locking screws and tighten.
4. Adjust cutting height to desired level.
5. Assemble collection bag and place on mower.
6. Connect to power supply (we would recommend the use of an RCD Residual Current Device).
