This cordless angle grinder is ideal for light DIY metal grinding tasks around the home. For best performance, pair this tool with the 4.0Ah battery from the XU1 18V Li-Ion Platform.

With a 115mm grinding disc included, use it to clean up welds, smooth down metal surfaces and remove rust amongst other tasks. The tool-free adjustable grinding guard is easily repositioned for maximum protection against debris, whilst the in-handle pin wrench storage is always at hand when disc and spindle adjustments are necessary. The 3 position side handle can be moved about the tool easily to ensure you maintain a firm grip on the tool during grinding.

FEATURES & BENEFITS

Pin Wrench Storage in Handle – Have the Pin Wrench at hand for disc adjustments and never lose track of it

Tool-Free Adjustable Grinding Guard – Easily reposition the guard for optimum protection during grinding

3 Position Side Handle – Change the Side Handle location for optimum grip and control during jobs

Best Performance When Paired with XU1 4.0Ah Li-Ion Battery
