

IMPORTANT:

READ THIS CARD BEFORE USE

Never use the vacuum cleaner without a filter fitted! Always ensure that the correct filter for the task is fitted securely to avoid damaged the vacuum.

DRY VACUUMING

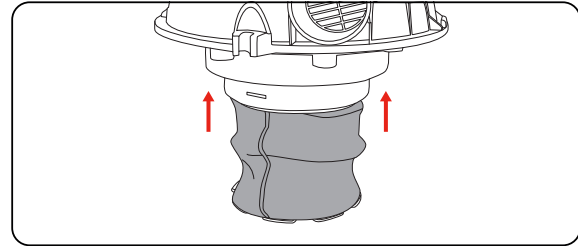

Ensure the **filter bag** is fitted at all times when vacuuming dry matter.

Do not use the foam filter for vacuuming dry matter.

WET VACUUMING

Ensure the **foam filter** is fitted at all times when vacuuming liquid.

Do not use the filter bag or dust bag when vacuuming liquid.

Note: Ozito tools are guaranteed for the period specified from the original date of purchase. They are intended for DIY (Do It Yourself) use ONLY. Trade, commercial/high frequency use will void the warranty.
