

OIL FREE V-TWIN AIR COMPRESSOR

FBVTAC-5030

EH-Art. No: 30.002.60
Ident No: 11018
Barcode: 9319510022695
Bunnings Item No: 0066051

This air compressor is ideal for powering a wide range of air tools, requiring low to high air volume, including nail guns, paint sprayers, sanders and angle grinders. Power two tools at the same time with the twin outlets; with quick release Nitto couplings, swapping between tools is quick and simple.

Featuring an oil free motor, it requires minimal maintenance and provides hassle-free transport. The 50L tank capacity allows you to power through more tasks before refilling, whilst dual pressure gauges monitors the tank and output pressure easily. The direct drive V-twin motor has a greater pump efficiency and operates cooler than other drive types.
