BT-PS 800

Energy Station

Item No.: 1091125

Ident No.: 11014

Bar Code: 4006825602111

The BT-PS 800 energy station is a portable and handy power supply for 12 Volt d.c. voltage ports. With a suitable connection cable the DC terminal of the BT-PS 800 is ideal for connecting radio, television, laptops, mobile phone etc. Besides that, the energy station can help in case of difficulties in starting cars with petrol engine and motor bikes due to its starting aid equipment. A powerful compressor, integrated at the backside, produces up to 18 bar air compression, and it is optimally suited to fill sports balls, small airbeds etc. A 3 Watt light is integrated in the impact-resistant plastic housing with carrying handle.

Features

- 12 V terminal by cigarette lighter for max 10 A charging rate
- Starting aid function 12 V
- Lightning 12 V / 3 W
- Non spilling/leak-proof, maintenance-free lead power pack 12V/8Ah
- Charging terminal for charger connection
- 18 bar compressor (integrated) with ON/OFF-switch+pressure gauge
- Battery charging control with indicator
- Charging cables with fully insulated pole clips
- 3 pcs valve adapter kit
- ON/OFF switch for lighting
- Charger
- Connection cable with cigarette lighter adapter

Technical Data

- | | |
|---------------------------|-----------------|
| - Compressor (integrated) | 18 bar |
| - Terminal | 12 V 10 A |
| - Accumulator | 12 V 8000 mAh |

Logistic Data

- | | |
|--------------------------------------|--------------------|
| - Product weight | 4.62 kg |
| - Gross weight single packaging | 5.26 kg |
| - Pieces per export carton | 2 Pieces |
| - Gross weight export carton | 11.02 kg |
| - Dimensions single packaging | 330 x 170 x 350 mm |
| - Dimensions export carton | 350 x 360 x 370 mm |
| - Container quantity (20"/40"/40"HC) | 1152 2448 2856 |
