Hand Winch

**TC-WI 800**

**Item No.: 2260170**

Ident No.: 11019

Bar Code: 4006825643916

The Einhell TC-WI 800 hand winch can handle a maximum payload of 800 kilograms. The hand winch from Einhell has a 20 meter twist-free wire cable (Ø 4.8 mm) with a load hook and a retention latch. The retention latch prevents the load from being unhooked accidentally. Thanks to a return stop the cable and the load can be stopped securely. The hand crank has a soft grip for a firm, secure hold and a comfortable working. There is a mounting plate with holes for quick and easy fixation.

## Features & Benefits

- 20 m twist-free wire cable (Ø 4.8 mm)
- Incl. load hook with retention latch
- A soft grip on the hand crank ensures comfortable working
- Return stop to stop the cable and the load securely
- Easy to fix thanks to mounting plate with holes
- Retention latch prevents the load being unhooked accidentally
- The max. payload of the hand winch is 800kg
