ACCESSORY

System Carrying Case

E-Case S-F incl. grid foam

Item No.: 4540019

Ident No.: 21023

Bar Code: 4006825662917

The Einhell E-Case S-F is ideally suited for storing and transporting tools and diverse accessories such as drill bits or screws. Two foam inlays and one grid foam inlay provide protection against scratches for the equipment being stored or transported. A practical locking system for joining stacked cases together ensures that everything can be stored systematically in an organized fashion and the stacked cases transported easily, and the cases can also be opened while stacked. The case is made of polypropylene, is splash-proof and also heat-resistant and impact-resistant thanks to the high-quality material. For optimum carrying comfort there are two fold-in, ergonomic handles. A padlock can be fitted.

Features & Benefits

- Practical system case for storage+transport of tools+accessories
- Locking system for connecting stacked cases
- ensures easy storage and transport
- Scratch-free transport thanks to 2x foam inserts
- Storage of sensitive equipment like cameras or measuring devices
