Water Works

**GE-WW 1246**

**Item No.: 4173542**

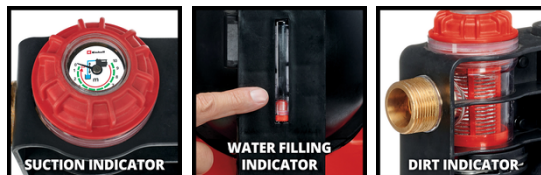

Ident No.: 21014

Bar Code: 4006825679991

The Einhell domestic water system GE-WW 1246 has an LED display to show the pump status as well as water level, dirt and suction indicators. A large water-fill port ensures it is easy to put into operation. The domestic water system can be emptied completely by means of the water drain plug. It is fully protected by a thermal cut-out and a pre-filter with non-return valve. The domestic water system features high-quality mechanical seals, a second pressure connection in addition to the durable suction and pressure connections of high-quality metal construction, as well as a generously sized 20-litre tank. The set includes a 1" (33.3 mm, external thread) adapter suitable for 1" suction hoses.

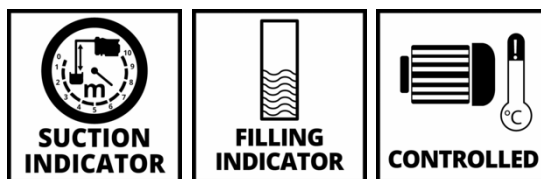

## Features & Benefits

- Integrated LED display to show the pump status
- Water level indicator: fill level of the pump can be read off
- Contamination indicator warns when filter is dirty
- Suction display: Information about suction height and pressure
- With pressure switch for automatic control
- Integrated pressure gauge for monitoring water pressure
- Large water-fill port for easy priming
- Frost protection via water drain plug
- ECO-Power: Higher pumping capacity with lower power consumption
- Robust steel tank with a volume of 20 litres
- Thermal overload protection for safe operation
- Pre-filter with non-return valve
- Central on/off switch for easy operation
- Stable pump base incl. mounting holes
- High-quality mechanical seals for long service life
- Durable suction and pressure connections of high-quality metal construction
- Incl. 33.3 mm (G1 external thread) universal adapter

## Technical Data

- Mains supply	220-240 V   50 Hz
- Power	1200 W
- Max. delivery capacity	4600 L/h
- Max. delivery height / - pressure	48 m / 4.8 bar
- Max. suction height	8 m
- Max. water temperature	35 °C
- Max. activation pressure	1.5 bar
- Max. cut off pressure	3 bar
- Suction connection	42mm (G1 1/4 AG)
- Pressure connection	33,3mm (G1 IG)
- Tank volume	20 L
- Power cord	150 cm   H07RN-F

# Logistic Data

- Product weight	17.45 kg
- Gross weight single packaging	22 kg
- Dimensions single packaging	530 x 320 x 730 mm
- Pieces per export carton	1 Pieces
- Gross weight export carton	22 kg
- Dimensions export carton	520 x 320 x 725 mm
- Container quantity (20"/40"/40"HC)	231   450
