FW 500

Frost Guard

Item No.: 2338701

Ident No.: 01016

Bar Code: 4006825530568

The FW 500 Antifreeze Heater is particularly well-suited to protect against frost and for airing small rooms that do not have their own heating, such as storage rooms, basements, workshops and conservatories. It is fitted with a high-quality mica heating element and an infinitely adjustable thermostat.

Features

- Mica heating element
- Infinitely adjustable thermostat
- Automatic temperature monitor
- Frost protection (thermostat set to "LO")
- Suitable for wet room use - fitted with splash guard
- Can be used as an upright or wall-mounted heater
- Overheating guard
- Status indicator

Technical Data

- Mains Supply 230 V | 50 Hz
- Heating output power 500 W
- Switch-on temperature frost protection 5 °C
- IP class 24
