The Power X Change PXLMTK-3182 Cordless Telescopic Handle Lawn Mower Kit is lightweight, portable and perfect for maintaining lawn areas up to 400m² with the batteries provided. Features include a full handle lever switch with a safety start button which helps avoid accidental start-ups while the sturdy, lightweight telescopic aluminium handle with easy height adjustment gives you comfort while mowing. A six-position central lever cutting height adjustment allows the mower to cut to the desired height, while the 45 litre grass catcher with capacity level indicator, collects the lawn clippings to give your lawn a neat and tidy finish.

This kit includes two 18V 3.0Ah Lithium Ion batteries providing cordless convenience and eliminates the need for long extension cords, while the Multi Battery Fast Charger provides the advantage of charging multiple batteries at the same time. You always know when the batteries are ready to use with the LED state of charge indicator.
