The Einhell Cordless Scarifier GC-SC 36/31 Li-Solo is a professional lawn care tool. It is recommended for lawns up to 300 m2. As a member of the Power X-Change family, the batteries fit all products in this range. Two 18 V batteries power the series-wound motor. The eight double blades are mounted on the ball bearing-mounted blade cylinder, which is made of sturdy stainless steel. The working depth can be adjusted to three levels and to a transport position. The handle is height-adjustable and foldable. The large wheels protect the lawn, and the housing is made of impact-resistant plastic. The GC-SC 36/31 Li can be optionally upgraded to a 3-in-1 combination tool (aerator shaft/collection basket). Supplied without batteries or a charger.
