

Roller Stand K 300

Art.-No.: 43.107.41

Bar code: 8591661084031

Sales unit: 8 pcs

The Roller Stand K 300 is excellent suitable for the treatment of bulky or heavy workpieces such as bars, boards or plates.

Slipping down the work piece is prevented, e.g. with narrow long slats by moving the role into the lower drillings of the admission.

With big work pieces the role is fixed in the upper drilling of the admission. Moving above the role is possible here.
