Cross Laser Level

**TE-LL 360**

**Item No.: 2270110**

Ident No.: 11016

Bar Code: 4006825616248

The Einhell 360° laser level TE-LL 360 is an ideal tool for installation, renovation and laying jobs. The horizontal 360° laser line makes easy work of aligning objects to the same level in rooms. The TE-LL 360 projects a horizontal and a vertical laser line, is self-leveling and has an LED for warning the user if the angle deviates by more than four degrees. The self-leveling time is five seconds. The TE-LL 360 can also be used as a digital spirit level. For use with a tripod there is an integrated 1/4" thread. Comfortable to handle thanks to a soft grip. Complete with a height-adjustable wall bracket for working comfort and a practical bag for storage.

## Features & Benefits

- Easy projection of a laser cross
- Horizontal 360° line for easy alignment of objects
- Projection of a horizontal and/or a vertical laser line
- Self-leveling (LED warning if the inclination is more than 4°)
- Integrated 1/4" thread for use with a tripod
- Can also be used as a digital spirit level
- Comfortable handling thanks to the soft grip
- Complete with height-adjustable wall bracket for working comfort
- Complete with a practical bag for storage
- 4x 1.5V AA batteries needed (not included in delivery)
