Wave Heater

WW 2000 D

Item No.: 2338431

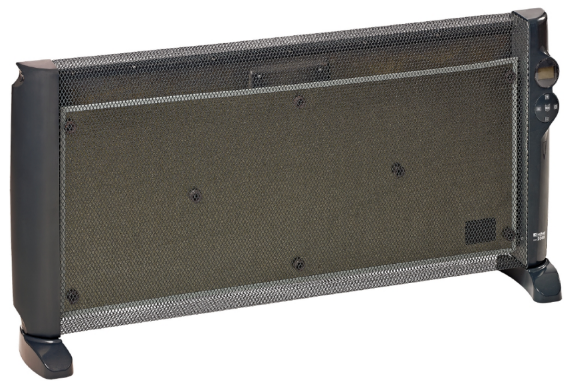

Ident No.: 11013

Bar Code: 4006825601411

The WW 2000 D Radiant Infrared Heater is fitted with a high-quality mica heating element and creates a pleasant feeling of warmth without overheating the air in the room or generating air turbulence. The pushbutton control for the two heat settings (1.250 W / 2.000 W) and the electric thermostat (7-30°) allow the heat output to be set for individual requirements. This product is only suitable for well insulated spaces or occasional use.

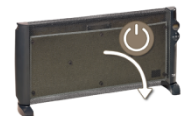

Features & Benefits

- High-quality mica heating element
- Pushbutton control with 2 heat settings (1.250 W / 2.000 W)
- Electronic thermostat (7-30°)
