**DRAFT**

The GC-PC 1235/1 petrol chainsaw from Einhell is equipped with an OREGON quality guide bar. An air-cooled 2-stroke engine with ball bearings at both ends of the crankshaft delivers plenty of power. An anti-vibration feature reduces body stress and fatigue. Primer and auto choke eliminate cold start problems. Kickback protection with an instant-reaction chain brake, a chain catch and a large stop claw made of metal all contribute to safety during use. The automatic chain lubrication system supplies the chain with sufficient chain oil. Complete with cutter rail guard and a petrol/oil mixing bottle.
