RT-HP 1750 TR

High Pressure Cleaner

This high pressure cleaner with its powerful motor delivers ample pressure for many applications.

In the scope of delivery is a rotating lance, a lance for spot and wide jet as well as a rotating washing brush for car maintenance included. Additionally the RT-HP 1750 TR offers a terrace cleaner with adjustable pressure, which cleans also sensitive wooden terraces gently and efficiently. In connection with the integrated detergent tank and the rotating washing brush the unit is also ideally concerted to the cleaning of vehicles. Due to the ample 8 m high pressure hose, 5 m supply cable and wheels enough mobility is warranted.
