The Original Einhell tripod 85–170 cm is the perfect accessory for your construction site. Suitable for the Einhell cordless lamp TP-CL 18/3000 Li, for example, the tripod is equipped with an integrated 5/8" thread and comes with a 1/4" thread adapter for attaching lasers, for example. The telescopic rod of the tripod can be extended from a working height of 85 cm to a height of 170 cm. Thanks to a transport height of 70 cm, the tripod can be stowed and transported in a space-saving manner. The high-quality plastic caps with ribbed support surface on the feet of the tripod allow stable, slip-free standing.
