Ident No.: 21015

Bar Code: 4006825688405

The Original Einhell E-Case Double Hook is part of the modular E-Case system and serves as a practical holder for various tools. It is ideal for cordless screwdrivers, hammers or other handheld equipment. Made of sturdy steel and coated with PVC, the two hooks securely hold heavier items up to 5 kg while protecting them from scratches. The attachment is tool-free: simply hook onto the side rail and lock in place with the snap fastener. Even with the double hook mounted, the E-Case can still be fully opened and used as usual. The double hook is compatible with Einhell SEALED E-Cases; the required side rail is available separately.
