1300W 30L / 360km/h 2-IN-1 WET & DRY VACUUM / BLOWER
WDVB-1312

This Ozito 2-in-1 Wet & Dry Vacuum / Blower is ideal for cleaning dirt or liquid from around the garage, workshop, garden or patio.

The 10m power cord on the detachable blower lets you take it outside to blow leaves and loose garden debris into piles for easier collection and cleanup. With durable castor wheels for greater mobility, it's also great for cleaning up around the home and shed after renovations or DIY projects.

The included floor tool can be used on carpet and hard floors whilst the crevice tool and angled nozzle allow you to vacuum in hard to reach areas; use the concentrator nozzle for more focused air flow. Other features include a large capacity container, space saving accessory mounts, a noise diffuser to minimise noise and a cord organiser to keep cables neat when not in use.
