

Fountain Pump-Set TCTP 51

Art.-No.: 41.724.48

Bar code: 29090440

Sales unit: 6 pcs

This powerful submersible pond pump assists you in obtaining a good water quality and cares for the right amount of oxygen in the water. It is an eye-catching device in your garden pond or artificial brooklets. The pump is designed for permanent use under water. The pump is powered by an oil-less motor with the stator completely sealed-in and water-cooled permanent magnet rotor. The housing is made of impact resistant stainless steel.
