Item No.: 4180342

Ident No.: 21014

Bar Code: 4006825679953

The Einhell garden pump GC-GP 1145 is an impressive helper when caring for your garden. The 1100-watt pump delivers up to 4500 litres of clear water per hour. The practical handle on the garden pump ensures easy transport. The garden pump is activated by means of an on/off switch. The pump has a water-fill port and a water level indicator. The water drain plug allows any remaining water to be completely drained so that the pump can be stored safely protected against frost. The thermal protection protects the pump from damage due to overload during operation. The garden pump is also equipped with high-quality mechanical seals.
