

Compressor GK 210/24

Art.-No.: **40.100.56**

Bar-Code: 4006825513264

Sales Unit: 1 pc

The GK 210/24 is the ideal equipment for DIY and convince through huge air capacity at a high pressure. The mobile and oil-lubricated 1-cylinder compressor with direct coupled engine and starting release is suitable for nearly all compressed air application. Especially for paintwork, spraying, airbrush technique, inflating of rafts, rubber floats and balls.

Features:

- Chassis with handle (1)
- Pressure switch (2)
- Air-intake filter (3)
- Self-switching-off quick coupling (4),
- 1 gauge for non-regulated vessel pressure
- Drain valve
- Back pressure valve
- Safety valve
- Mains cable with earthed plug
- **10 years warranty against rusting of the vessel**

Technical data:

- | | |
|----------------------------|------------------------|
| - Mains: | 230 V~ 50 Hz |
| - Motor Power: | 1,1 KW / (1,5 PS) |
| - Suction capacity: | 154 l/min |
| - Vessel capacity: | 24 l |
| - Speed: | 2850 min ⁻¹ |
| - Operating pressure max.: | 8 bar |
| - Weight: | 22.5 kg |
| - Packing dimensions: | 580 x 255 x 580 mm |
