## NEW GENERATION

### Functional flexibility for comfortable grass trimming!

For cutting grass in hard-to-reach areas, e.g. along fences and walls, between and underneath bushes – wherever the lawn mower cannot reach or where the grass is already too high. With its strong 500 Watt motor the lawn trimmer is a convenient tool to help keeping the garden tidy. The rotating nylon thread cuts grass as neatly as the blade of a lawn mower.

**Rotating and swivelling engine head makes a comfortable working on vertical surfaces possible.** Fatigue-free working thanks to the ergonomically shaped arm rest, continuously adjustable telescopic guide rail and adjustable auxiliary handle. The RT 527 features fully automatic thread feed for optimized cutting results. Elegant design made of impact-resistant, high quality plastics for an overall attractive impression.

## RT 527/1 Electric Grass Trimmer

Available as special accessory:

Spare thread spool:

Art. No.:

34.050.30

Ident. No.:

01025

Bar Code:

4006825510225

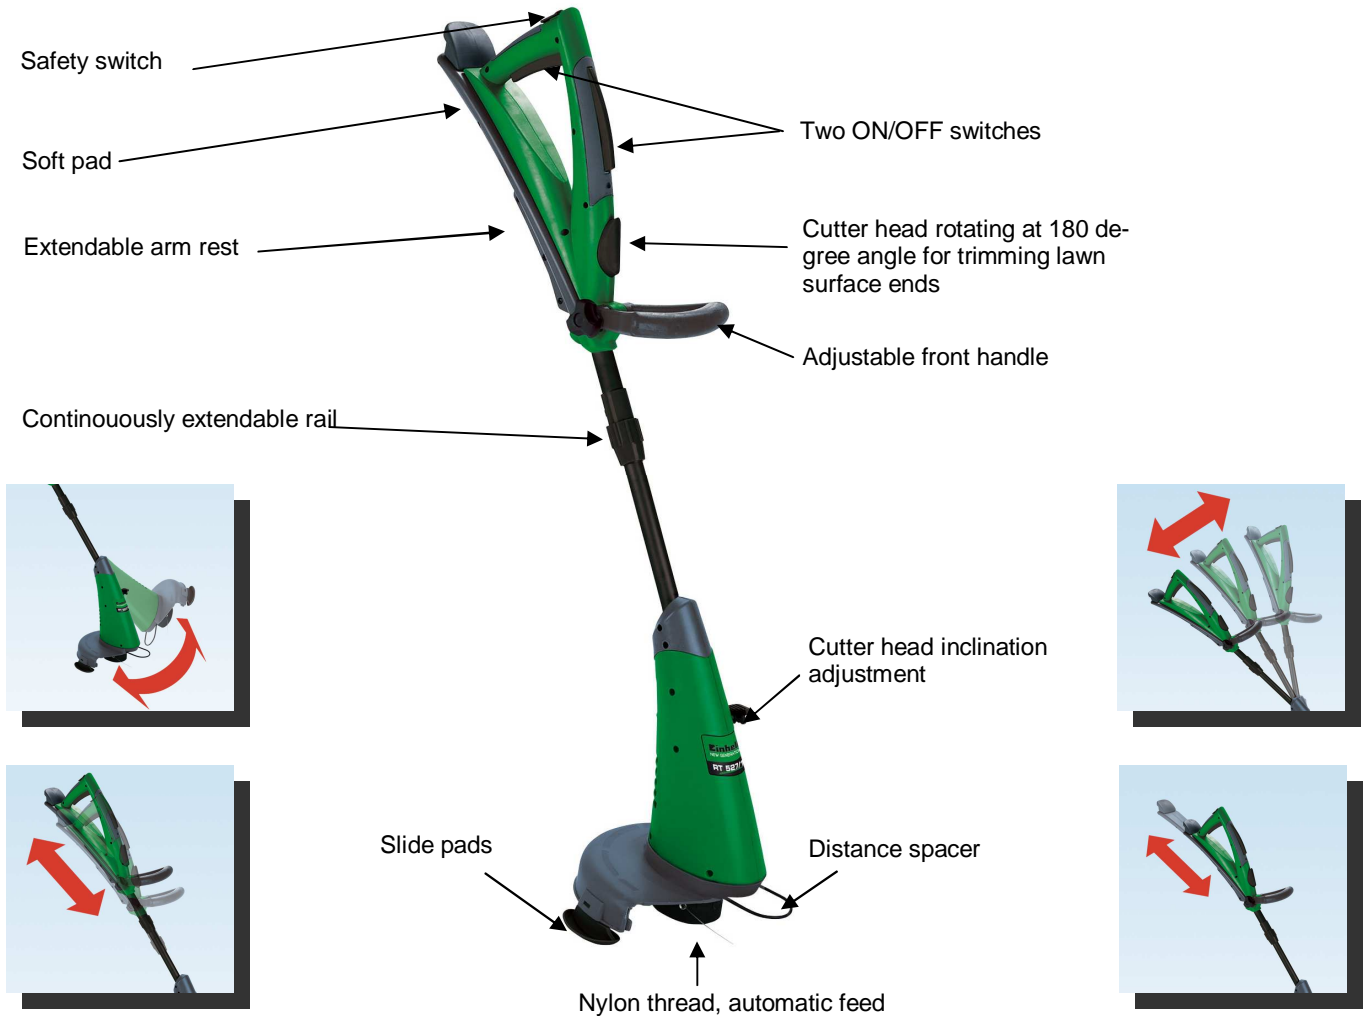

### Logistic Information:

Type: RT 527/1  
Art. No.: 34.014.90  
Ident. No.: 01025  
Bar Code: 4006825508987  
Packing: 945x220x125 mm

Sales unit: 4 pcs  
20` : 1084 pcs  
40` : 2252 pcs  
40` HC: 2352 pcs  
Weight: 4.5 kgs (gross)

### Functional flexibility for comfortable grass trimming!

#### Features:

- Cutting head, rotating (180°) and tiltable (3 positions)
- Continuously extendable guide rail
- Extendable arm rest with soft pad
- Adjustable front handle for added comfort of use
- Fully automatic nylon thread feed
- Grass trimming with double nylon thread
- Slide pads for comfortable working

#### Technical Data:

- Voltage: 230V~50 Hz
- Power: 500 Watt
- Cutting width: 270 mm
- RPM: 11,000 min<sup>-1</sup>
- Nylon thread diam.: 1.4 mm
- Thread length: 10 m
