

# PXCMSS-210 210MM COMPOUND MITRE SAW

## FEATURES & BENEFITS

**0° to 45° Bevel and Mitre Cuts** – Allows for a complete range of bevel and mitre cuts

**Cordless Portability** – Now you can work in areas where mains power is not available

**Material Clamp and Extension Supports** – To hold down and support your workpiece

**Laser Line and Worklight** – So you can see exactly where you'll cut

**Recommended For Use With Ultra Battery** – Upgrade to the Ultra Battery with improved temperature control and increased battery capacity allowing for ultimate performance with high demand tools such as circular saw, angle grinder or mitre saws
